VISION

SCBC is a thriving Christian Community that inspires learning as a means of transforming and empowering lives.

VALUES

Love, Hope, Wisdom and Grit.

PRINCIPAL'S MESSAGE

It has certainly been a very full and productive year in 2023 at South Coast Baptist College. Our students have been very involved in every opportunity provided by the College and they have grown in their capacity and love for learning. I have been most impressed with their enthusiasm to participate in the many academic and co-curricular events throughout the year. In addition, our staff have continued to show their deep devotion to the progress and nurturing of our students and it is a credit to our families that our students also have the good attitude and focus to make their school days, days to cherish and days in which to be equipped for the future.

Our College campus was enlivened by the beautiful children's nature playground this year inclusive of the popular flying fox which has been a tremendous upgrade and we have plans for further playground upgrades for our students.

The works done to G Block have also been steadily progressed to allow for better office and counselling spaces for our Wellbeing and Careers services. Further upgrades to the campus continue with the emergence of the double storey Secondary block currently being constructed, which will present us with an incredible facility and better learning spaces for our students as they continue to work with the rigours of the quality education, provided by our teachers at SCBC.

Congratulations must go to our Football Champions in 2023 both boys and girls in Primary and Secondary defeating all opponents and achieving the title of Champion teams in the State. We are proud of our sports teams and in summary commend our students for achieving in 2023:

- Senior Boys School Sports WA Champions
- Intermediate Boys School Sports WA Champions
- Junior Girls School Sports WA Champions
- Senior Girls ACC Champions
- ACC Inter School Athletics Division Team first place overall.

Our Secondary Vocal Academy and Drama Department showcased SCBC talent with the excellent College Production of 'School of Rock' as did our Primary team with the amazing production of 'Robyn and the Sherwood Hoodies'. The Arts is alive and thriving at the College with our Music Festivals and Visual Arts exhibitions. The superb talent of our students continues to shine. Our Engineering departments and Food Science electives are also popular with our students giving them the opportunity to create and contribute to the community as was the principle encouraged by the Rite Journey program within our many curriculum and project offerings for our students.

There are many school improvements and strategies coming on the horizon, as we look to the implementation of the work we have done this year on the College new Strategic Plan and re-brand of our Crest, re-enforcing the solid culture and identity of our Christian school of excellence. It has certainly been a successful year and the College Team of Staff are to be commended as they continue to provide the best for our students. Our Board of Governors is committed with Management, to progress the quality that sets SCBC apart as a school of choice.

We look forward to the ongoing advancement of the College which is in healthy financial shape, delivering excellence in teaching and learning, wellbeing initiatives and supportive frameworks that grow character competencies in our students.

We thank God for his many provisions and blessings upon our school.

GRAND OPENING OF THE SCBC GYMNASIUM

SCBC GYMNASIUM

2023 marked the Grand opening of Our state of the art College gymnasium. An amazing facility, blessing our staff, families, and students from Childcare through to year 12 with exceptional opportunities.

We are the first school in the Nation with both a trampolining and WAG program integrated into the Curriculum and hosted on campus. Our gymnastic Academy is now the sole school in WA affiliated with Gymnastics Australia opening exceptional opportunities for our students.

We are truly blessed and thank God for his continued blessing and provisions here at SCBC.

STUDENTS ATTENDANCE

STUDENTS NON - ATTENDANCE

If a student is absent from a teaching instruction day and there has been no reasonable explanation provided by a parent or guardian, a mobile text message is sent to the parent or guardian on the day of the absence, asking them to provide a reason.

If no response is received, an email is sent to the parent/guardian via SEQTA, advising of the student's absence from the College requesting an explanation. If an email response has not been received regarding the unresolved absence, a letter is posted home asking for an explanation (See Daily SMS Procedure & Weekly Absentee Follow-up Procedure).

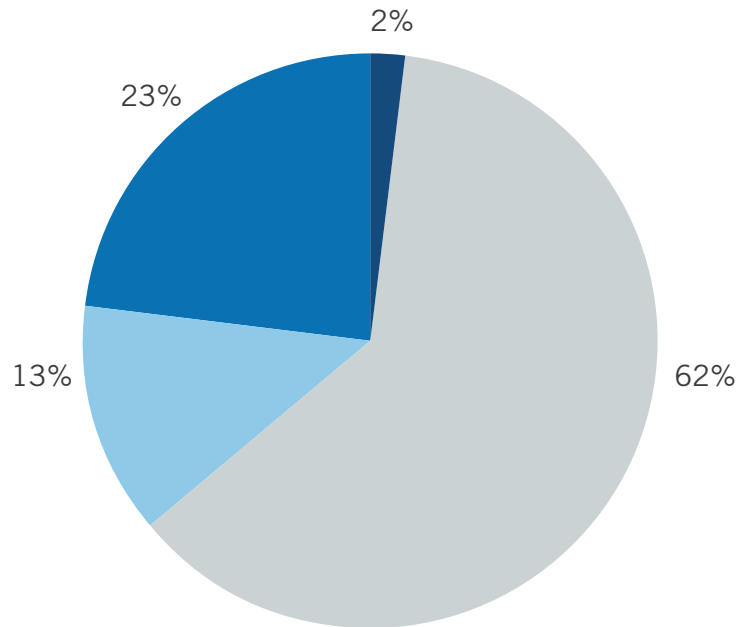

This will remain an unresolved absence until an explanation is provided by the parent or Guardian.

If a student is absent for a significant amount of school with no reasonable explanation, Student Services will notify the Deputy Head of Primary (Wellbeing) and Head of Primary or the Deputy Head of Secondary (Wellbeing), Year Manager (Secondary) and the Head of Secondary.
